

Hello,

If you have not heard of us, we are The Beat School of Dance. We are a dance and tumbling studio located in Breese. We have been in business for two years now, and we want to offer any child who wants to dance or tumble the opportunity to train with us, despite financial issues. This is why we are creating a Scholarship Program to provide dance or tumbling training to students who might not be able to afford it otherwise.

Dance and tumbling is proven to:

- Promote social and communication skills, teamwork, trust, and cooperation
- Reduce anxiety about new people or places
- Alleviate fears related to performing in front of an audience
- Instill discipline and focus, which leads to better academic performance in school
- Spark creativity and appreciation for the arts
- Promote confidence and self-esteem
- Inspire positive attitudes and exploration of self-expression
- Increase flexibility, strength, and stamina
- Correct poor posture, increase balance, and improve cardiovascular health
- Develop musicality and rhythm
- Improve memory through memorizing new steps and terminology

Any scholarship amount is greatly appreciated. Some suggestions include:

1 dance costume = \$75

1 dance (for students over the age of 6) = \$150

1 hour class per week = \$42 per month (\$420 yearly)

Bronze Level: \$1-\$100

Silver Level: \$101-\$200

Gold Level: \$201-\$300

Platinum Level: \$301+

With your gracious donation, you will be recognized in our annual dance recital's program, our "Scholarship Program" page on our website, and on a plaque in our studio, which are all great advertising opportunities. We will also keep you updated about your scholarship student.
